Message: Mr. Governor

I have a couple of ideas for new inventions and I visited a website that informed me that the governor could help with information on who and how I can get these inventions implemented. I was wanting to know if somewhere there is a list of investors that would not take advantage of me. I have a couple of great ideas but no way to take action on them. Any help you can provide me would be greatly appreciated.

Thanks
C.E.Cable Jr.
